

Acclamar provides business tax services in Washington, DC, No. Virginia, and Maryland. Business tax strategies and planning, maximizing profits.

# **Tax Services**

As a business owner, you probably have a passion for your business. But that doesn't mean you don't want to make a decent profit!

To stay competitive in today's marketplace, you may be wearing too many hats, spreading yourself too thin, and never finding enough time to do everything you need to do - like developing tax strategies and planning for future growth.

In fact, tax planning is the key to legally reducing or eliminating your tax liability and increasing your bottom line.

But many small and medium-sized business owners completely ignore tax planning because they don't have the time or they lack in-house expertise.

Don't be one of them.

Let the experienced CPAs at Acclamar, LLC help your SME in the Northern Virginia, Maryland, and Washington, D.C. area achieve tax savings and maximize profits.

## **How We Help Tax Strategies and Planning**

One of our experienced CPAs meets with you quarterly throughout the year, not just at tax time, to review expenses and income, and advise you as to how you can take full advantage of deductions and credits under the IRS tax code that benefit businesses like yours. These include:

- Maximizing business entertainment expenses
- Business automobile deductions
- Home office deductions
- Section 179 expensing

## **Large corporations benefit from these credits and deductions. Why shouldn't you?**

Call **(703) 270-1007** or complete the form below to set up a consultation with one of our experienced CPAs today and start putting more money in your pocket.
